Classes:

- **Master Class**
Team's average age is 35+*
- **Heavyweight**
Each team member must weigh 200lbs. + at each weigh in*
- **Pro**
Each member must weigh minimum 175lbs. + at each weigh in*

*all drivers must complete a minimum of Sixty (60) minutes of the race.

Weight will be available for drivers upon arrival. Each driver must be at racing weight prior to Qualifying. All drivers qualifying will be weighed.

Prizes and Trophies will be given for the top three in each class.

The ultimate test of mental and physical talents; this race is not for the weak.

Fuel Stop

1. Karts will be swapped at fueling station. Get out of kart you are in and get in to kart at front of line.
2. Make sure all drivers are aware of fuel area and procedures; you will have an opportunity to practice fuel stops during Friday night's practice session.

Pit Stop

1. Required every 45 minutes.
 - 1 Lap penalty for every minute over
2. Double stint is ok.
3. Driver and incoming driver only persons allowed in pit area.
4. Have weight ready when driver comes in to pit
5. Drivers carrying weight will be required to weigh in after stint is complete.
6. Minimum 175 lbs. for Pro Class, minimum 200 lbs. for Heavyweight class.
 - 1 Lap penalty for every two pounds under weight

Gear

1. We recommend a rib protector and neck collar. After many hours in the kart you will be sore.
2. You will sweat so bring a change of race gear. We will provide suits but you may wear your own. Driver suits are required.

Team Set Up

1. Each team will have an area to set up and maintain equipment.
2. A separate room will be set aside for sleeping, kept dark and noise free.
3. We are a FREE Wi-Fi Facility
4. We do have room behind our building for RV parking.

Food

- We will provide Breakfast, Lunch, Dinner (Saturday) and breakfast again (Sunday) Each team will be responsible for any snacks.
- We will have a grill available for those that wish to cook their own food.
- Many restaurants and stores located within a few miles.

OFFICIAL AUTO RACING SET

- | | |
|---------------------------------|---|
| Green Flag: | Start of race |
| Red Flag: | Race has been halted, all drivers stop immediately. |
| Yellow Flag: | Full course caution. No passing is allowed! |
| Blue Flag Orange Stripe: | Allow person behind to pass. One lap to comply. |
| Black Flag: | Failure to comply with course worker or follow rules. |
| White Flag: | One lap remaining in race. |
| Checkered Flag: | Race is over, slowly proceed to pit road. |

Flag use is at the discretion of our corner workers. Please do not argue with them, their decisions are final. If we feel a driver has become too aggressive we reserve the right to remove him from the kart and replace him with one of his teammates. We will consider putting him back in to the kart at a later time in the race. We want a competitive race but also a friendly race!
